SHIPWRECKED

There's something about the sea that calls to the heart of most people. For many it's the idea of adventure and the experiences gained from that. For others it is the beauty and majesty of the sea. Still others love the idea of camaraderie that comes from traveling on a journey

No matter what draws you to the sea, the same kind of thing draws us to the church. When we learn more about the immense awesomeness of our God, we can't help but get excited. When we experience true spirit-awakening worship of Him, our hearts rejoice. When we partner with our fellow Christian to serve our community and our church, we grow closer together.

Throughout the month of June, we'll look at several different aspects of traveling on the sea that parallel greatly with the different aspects of worshipping, serving, sharing, and learning more about God. Join us at 10 am on Sundays as we look at getting shipwrecked.

In Him,
Dave
